CL-Parkade T5HO Parkade Fixture

Designed for use in interior parkades and other environments, the CL-Parkade is engineered to utilize 54w T5HO lamps and high-reflectance Miro IV specular reflectors.

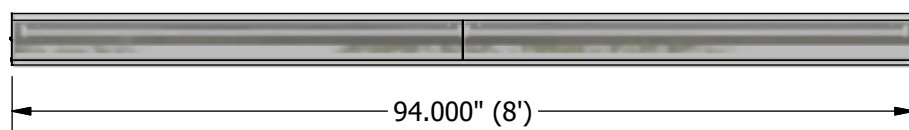

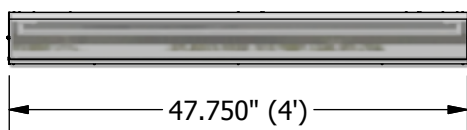

Housing built from 20 gauge steel and powder-coated after fabrication. A Lexan prismatic lens protects the lamps and diffuses the light to create an even distribution pattern.

Suitable for individual or continuous row mounting. Designed for surface, chain, or pendant-mounting (with an optional kit) applications.

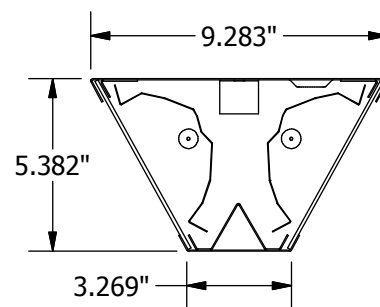

CL-Parkade (4')

All fixtures **CSA** approved.
